Miss Margo, as the children call her, has been dancing since her own preschool days. Margo Kneale Dowlen is the Artistic Director/Owner and the Principle Teacher for Dowlen Dance. She is a graduate of the University of South Florida with a Degree in Ballet and Modern Dance and a Minor in Theater. She is dedicated to providing quality instruction on all levels of dance. Her positive and dynamic personality is a very big plus in the children's eyes. Children excel in the Dowlen Dance program because their class is in an environment which is familiar and comfortable to them. They are surrounded by already established friends and classmates. Because children are confident their creativity is enhanced. Dowlen Dance is proudly celebrating 26 years of teaching! Should you have any questions regarding this years dance program, please feel free to contact me.

Sincerely,

Miss Margo
