**Confirmation Service Project/Volunteer Service Form**  
**READ THIS FORM CAREFULLY**

*The fact that the church requires volunteer hours is part of the formation process to draw its confirmation candidates into engagement in their faith community with projects to help them feel a greater bond to Christ through His church. That bond is strengthened in the sacrament of Confirmation but also hopefully enriched by this process meant to draw young people into greater communal activities. It is in the act of human interaction with others in the same parish that we are offered an opportunity to identify more readily with our parish family. The need for volunteer hours and building this sense of parish community involvement stems from the directions of the Pontifical Council for the New Evangelization; In the Directory for Catechesis. It is not intended to make it more difficult for our children to receive the sacrament.*

**Directions:**

You are required to complete 20 hours of service. At least 15 hours should be at SJDR parish. The remaining five hours can be community service, i.e. volunteering at a community agency such as a library, a school, etc. Volunteering for individuals, who are not incapacitated, for babysitting, dog sitting, or cutting grass is not considered a "service" project. If you are paid or receive any compensation, it is not "volunteer" service. Remember to get signatures for the service you complete, or you will not receive credit for the service. **PARENTS MAY NOT SIGN OFF ON VOLUNTEER SERVICE HOURS.**
