

2020-2021 Student Athlete & Parent Expectations of Conduct

Dear Parents,

At San Juan Del Rio, the Athletic Program is designed to develop student athletes in their respective sports to excel and be successful. Through sports, students represent SJDR at a high level demonstrating great sportsmanship and competitive play. All teams, including the athletes, parents, and coaches, will demonstrate the Catholic values of the school, parish, and community. That being said, it is important to emphasize the competitive nature and structure of these teams within the diocesan league. It is our goal at SJDR to emphasize student athlete commitments to sports teams throughout the year. Athletes playing time will be based on but not limited to the following:

- Skill and ability
- Teamwork
- Sportsmanship
- Mandatory Attendance at all practices
 - If absent from practice, please provide appropriate documentation to coach upon returning (Ex. Doctor's note)
- Academic behavior/conduct. Cheating will result in immediate disciplinary action
- Respect to all coaches, officials, spectators, teammates, and opponents
 - Fighting or arguing with referee/umpires, coaches, teammates, opponents, or fans will not be tolerated. Those doing so are subject to discipline and possible removal from the team

Students must register for their sport and will be required to have required athletic forms turned in and approved before they can try out for the team. All athletic fees must be turned in before a student athlete can play in a regular season game.

To continue working towards Division II success in all sports, it is our hope that student athletes, parents, and coaches fully understand the expectations of the sports teams within the Athletic Program here at SJDR. Lastly, it is our understanding that families have many extracurricular activities and events throughout a season, and this is a big commitment. Thank you for your understanding and cooperation in working towards athletic growth and success for our student athletes here at San Juan Del Rio. Go Saints!!

By signing this document, we acknowledge school athletics are the number one priority above all other sports/activities and agree to abide by the above policies and procedures.
